*"This program works. Students get practical information about how to learn and how to increase their GPA. You cannot go wrong investing in the future. Since grades determine so much about our employment and income, why not invest some time now and reap the benefits tomorrow after you graduate from college."*

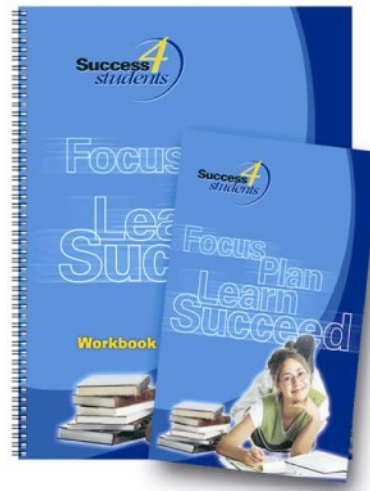

- L. M. Hynson, Jr.  
Professor International Studies  
Oklahoma State University

**Success4Students DVD or VHS**—award winning video that shows how to make better grades and have more fun.

**Success4Students Workbook**—beautifully designed to coordinate with the program for note taking and application activities.

**S<sup>3</sup> Student Support System<sup>sm</sup>**—Twelve web-based FollowThrough practice sessions to reinforce key course content.

**Weekly Planner**—A printable on-line weekly planner designed with students in mind. Great for helping plan each week to reach long-term goals.
